The City reserves the right to mutilate or destroy any samples submitted whenever it may be in the best interests of the City to do so for the purpose of testing.

16. The unauthorized use of patented articles is done entirely at the risk of the successful proposer.
17. The ESTIMATED QUANTITY given in the specifications or advertisement is for the purpose of seeking a proposal. The City may purchase more or less than the estimated quantity, and the vendor must not assume that such estimated quantity is part of the contract.
18. Only the latest model equipment as evidenced by the manufacturer's current published literature will be considered. Obsolete models of equipment not in production will not be acceptable. Equipment shall be composed of new parts and materials. Any unit containing used parts or having seen any service other than the necessary tests will be rejected. If defective material, equipment or supplies are discovered, the contractor, upon being instructed by the Procurement Officer, shall remove, or make good such material, equipment or supplies without extra compensation. It is expressly understood and agreed that the inspection of materials by the City will in no way lessen the responsibility of the contractor or release him from his obligation to perform and deliver to the City sound and satisfactory materials, equipment or supplies. The proposer agrees to pay the cost of all tests on defective material, equipment or supplies or allow the cost to be deducted from any monies due him by the City or County.
22. Unless otherwise specified by the procurement officer all materials, supplies or equipment quoted herein must be delivered within thirty (30) days from date of notification or exception noted on price quotation sheet.
23. A contract **will not** be awarded to any corporation, firm or individual who is, from any cause, in arrears to the City/County or who has failed in any former contract with the City/County to perform work satisfactorily, either as to the character of the work, the fulfillment of the guarantee, or the time consumed in completing the work.
24. Reasonable grounds for supposing that any proposer is interested in more than one proposal for the same item will be considered sufficient cause for rejection of all proposals in which he/she is interested.
25. Unless otherwise specified the City reserves the right to award each item separately or on a lump sum basis, whichever is in the best interest of the City/County.
26. The City reserves the right to waive any minor discrepancies, reject any or all proposals, and to purchase any part, all or none of the services, materials, supplies or equipment specified.
27. Failure of the proposer to sign the offer or have the signature of any authorized representative or agent on the proposal **will** be cause for rejection of the proposal. Signature must be written in ink.
28. Any proposer may withdraw his proposal at any time before the time set for opening of proposals. No proposal may be withdrawn without cause in the 60-day period after proposals are opened.
29. It is mutually understood and agreed that if any time the Procurement Officer shall be of the opinion that the contract or any part thereof is unnecessarily delayed or that the rate of progress or delivery is unsatisfactory, or that the proposer is willfully violating any of the conditions or covenants of the agreement, or is executing the same in bad faith, the Procurement Officer shall have the power to notify the aforesaid proposer of the nature of the complaint. Notification shall constitute delivery of notice, or letter, to address given in proposal. If after three working days of notification the conditions are not corrected to the satisfaction of the Procurement Officer, he shall thereupon have the power to take whatever action he may deem necessary to complete the work or delivery herein described, or any part thereof, and the expense thereof, so charged, shall be deducted from any paid by the City out of such monies as may become due to the said proposer, under and by virtue of this agreement. In case such expense shall exceed the last said sum, then and in that event, the bondsman or the proposer, his executors, administrators, successors, or assigns, shall pay the amount of such excess to the City on notice by the Procurement Officer of the excess due.

The City of Albany may, at its sole and absolute discretion, reject any and all, or parts of any and all, proposals; re-advertise this RFP; postpone or cancel, at any time, this RFP process; or waive any irregularities in this RFP or in the proposals received as a result of this RFP.

All expenses involved with the preparation and submission of proposals to the City, or any work performed in connection therewith, shall be borne by the proposer(s). No payment will be made for any responses received, or for any other effort required of or made by the proposer(s) prior to commencement of work as defined by a contract approved by the City of Albany Board of Commissioners.

9. Proposers may be required to give oral presentations in support of their proposals or to exhibit or otherwise demonstrate the information contained therein.
10. Proposers may take exceptions to any of the terms of this RFP unless the RFP specifically states where exceptions may not be taken. Should a proposer take exception where none is permitted, the proposal may be rejected as non-responsive. All exceptions taken must be specific, and the Proposer must indicate clearly what alternative is being offered to allow the City a meaningful opportunity to evaluate and rank proposals.

Where exceptions are permitted, the City shall determine the acceptability of the proposed exceptions and the proposals will be evaluated based on the proposals as submitted. The City, after completing evaluations, may accept or reject the exceptions. Where exceptions are rejected, the City may request that the Proposer furnish the services or goods described herein or negotiate an acceptable alternative.

No proposal shall be accepted from, nor will any contract be awarded to, any proposer who is in arrears to the City of Albany upon any debt, fee, tax or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City, or who is otherwise determined to be irresponsible or unreliable by the City of Albany.

The City of Albany may award a contract on the basis of information received without the RFP moving through all three phases described in the Selection Process section of the RFP. Therefore, each proposal phase should contain a proposer's best presentation of its position to serve.

11. **Selection Process Clause:** A Proposal Analysis Group (PAG) will review all proposals submitted. Based upon the background information reported in the RFP, the PAG will determine whether the respondent is qualified or unqualified. Cost will not be the sole determining factor in selecting a firm. The Proposal Analysis Group will rank the qualified firms based on the data submitted. The PAG may require each firm to make a formal presentation regarding its qualifications to perform the requested services. The top ranked firms will be selected for final negotiations.

The proposer shall comply with all laws, ordinances and regulations applicable to the services contemplated herein, including those applicable to conflict of interest and collusion. Proposers are presumed to be familiar with all Federal, State and local laws, ordinances, codes and regulations that may in any way affect the services offered. No reimbursement will be made by the City of Albany for any costs incurred prior to a formal Notice To Proceed should an award of contract result from this solicitation.

12. **INDEMNIFICATION:** The Responder shall indemnify, hold harmless, and defend the City of Albany and its officers, employees, and agents from and against any and all losses, claims, damages, liabilities, or expenses (including reasonable attorney's fees and litigation costs) arising out of or resulting from the negligent acts, recklessness, errors, omissions, or willful misconduct of the Responder, its employees, or subcontractors in the performance of property management and maintenance services under this Agreement. This indemnification shall specifically include, but is not limited to:
- Financial Mismanagement: Any claims related to the mishandling of tenant rent, security deposits, or City-allocated maintenance funds.
 - Regulatory Penalties: Any fines or forfeitures levied against the City by state or federal agencies (including HUD) resulting from the Responder's failure to maintain properties according to applicable housing, fire, and safety codes.
 - Operational Liability: Claims for personal injury or property damage sustained by tenants, guests, or the public arising from the Responder's failure to address known maintenance hazards or manage the premises in a safe and sanitary condition.
 - Tenant Relations: Any legal claims or damages resulting from improper eviction procedures, fair housing violations, or breach of tenant privacy by the Responder or its agents.

This clause shall survive the expiration or termination of this Agreement for any reason.

13. **INSURANCE REQUIREMENTS:** The Responder shall maintain, at its own expense, the following minimum insurance coverage for the duration of the contract and any renewal terms:
- Commercial General Liability: \$1,000,000 per occurrence / \$2,000,000 aggregate, naming the City of Albany as an Additional Insured. This coverage must include premises/operations and contractual liability.
 - Automobile Liability: \$500,000 combined single limit covering all owned, non-owned, and hired vehicles used in the performance of services under this contract.
 - Workers' Compensation: Statutory limits as required by the State of Georgia, including Employer's Liability of \$1,000,000.

Proof of Coverage: A Certificate of Insurance (COI) must be submitted with the proposal. All policies must include a **Waiver of Subrogation** in favor of the City of Albany. The City must be notified at least thirty (30) days prior to any cancellation or material change in coverage.

14. **TERMINATION OF CONTRACT FOR CONVENIENCE:** The City of Albany shall have the right to terminate any contract to be made hereunder for their convenience by giving the proposer **sixty (60) calendar days** written notice of their election to do so and by specifying the effective date of such termination. The proposer shall be paid for its services through the effective date of such termination.
15. **TERMINATION OF CONTRACT FOR CAUSE:** Provided a contract is awarded, if a proposer shall fail to fulfill any of its obligations hereunder, The City of Albany may terminate the agreement with said

proposer for such default by giving written notice to the proposer at issue. If this agreement is so terminated, the proposer shall be paid only for work satisfactorily completed. Any termination that could occur would not happen without an opportunity to cure per the conditions outlined in the Contract between the successful proposer and the City.

16. Upon receipt of the proposals by the City of Albany, the proposal shall become property of the City without compensation to the proposers, for disposition or usage at discretion of the City of Albany.
17. **Georgia Security and Immigration Compliance Act:** The successful Responder will provide certification that they are in compliance with the Georgia Security and Immigration Compliance Act, certifying that the provisions of O.C.G.A § 13-10-91 and Chapter 300-10-1 of the Rules of the Georgia Department of Labor have been complied with in full. Pursuant to O.C.G.A § 13-10-91, all subcontractors entering into a contract or agreement for hire on this Project must be registered and participate in the Federal Work Authorization Program (E-Verify). (See attached affidavit documents at the end of this proposal).
18. **PROPOSAL RESPONSE:** All vendors/respondents should provide information as detailed in this RFP and any other pertinent information which will assist the Evaluation Committee in selecting the most qualified firm. The City of Albany Staff will be available at the pre-proposal conference to answer questions and offer explanations as needed. Any reply resulting in a change in the Request For Proposals (RFP) will be sent to all attendees. It is highly recommended that all interested proposers attend this conference.
19. Proposer shall provide satisfactory evidence of competency to perform the work presented in the RFP. The minimum requirements are a permanent office, adequate workforce and technical qualifications/experience, along with having a suitable financial status to meet obligations incidental to the workplace. **Submit with your proposal satisfactory evidence to meet these requirements.**
20. The proposer will give immediate notice to the City of Albany of any claims or suits made or filed against the vendor or its subcontractors on any matter pertaining to this contract. The vendor shall cooperate, assist, and consult with the City in any claim, suit, or action made or filed against the City as a result of or relating to the vendors obligation under this contract. Any cancellation or lapse of insurance affecting the operation of the City shall be deemed a material breach of contract and the Administrator must be notified immediately.
21. **EVALUATION CRITERIA:**

Experience and Qualifications	30%
Understanding of Scope and Approach	25%
References and Past Performance	20%
Cost Competitiveness	25%

- **Experience and Qualifications (30%)** Evaluation of the firm’s history and the specific qualifications of the personnel assigned to this contract. Priority will be given to Responders who demonstrate successful management of a diverse residential portfolio, specifically focusing on the logistical challenges of scattered-site single-family and multi-family units totaling 150+ units. This includes verifying required Georgia licenses and certifications for both management and maintenance staff.
- **Understanding of Scope and Approach (25%)** Assessment of the proposed operational methodology. The Responder must provide a clear plan for 24/7 emergency response, a preventive maintenance calendar, and a strategy for efficient "make-ready" unit turnovers. A critical component of this score is the Responder's demonstrated ability to integrate their daily workflows into the City’s mandatory Propertyware software for all work orders, tenant requests, and maintenance logging.
- **References and Past Performance (20%)** A review of the firm’s track record with existing or former clients. References will be used to verify that the firm’s actual performance—specifically

regarding response times, code compliance, and financial reporting—matches the claims made in the proposal. The City will prioritize firms with a proven history of managing high-volume residential maintenance for municipal or large-scale private portfolios.

- **Cost Competitiveness (25%)** Evaluation of the overall value provided to the City. While cost is a major factor, the City will prioritize "responsible" pricing that ensures sufficient resources are allocated for property safety, sanitary conditions, and full regulatory compliance. The fee schedule must be transparent, detailing management fees, hourly labor rates, and any applicable material markups.
22. **Certificate of Non-Collusion:** An executed copy of this form should accompany your submittal. (See Attached).
 23. **Governing Law & Venue:** An executed copy of this form should accompany your submittal. (See Attached).
 24. **Compliance with all applicable local, state, and federal regulations including Fair Housing Act, Title VI, and ADA requirements, is strictly required.**
 25. **Price Escalation:** Renewal terms shall be at the same prices as the initial term, unless a price adjustment is requested by the Responder and approved in writing by the City at least sixty (60) days prior to the renewal date. Any such adjustment shall not exceed the Consumer Price Index (CPI) for the Albany, GA area.
 26. **Transition Clause:** Upon expiration or termination of this Agreement, the **Responder** shall provide all **property management and maintenance data**, including but not limited to: digital maintenance records, **tenant ledgers/payment histories**, vendor contact lists, and pending work orders. All data must be provided to the City in an Excel or CSV format within five (5) business days. Additionally, all physical keys, access cards, and site-specific documents must be surrendered to the City immediately upon the contract end date to ensure no lapse in service or security.
