This form is for persons wishing to:

- Purchase City-owned buildings or land for acquisition only; or
- Purchase City-owned buildings or land for planned development (rehabilitation or new construction).

Note: You, or your hired Contractor, must have experience with similar projects.

What will it cost me to acquire the property?

Buildings or Single-family Homes:

Available buildings or single-family homes are marketed for sale at a Fair Market Value as determined by the tax assessed value or an appraisal. The value of structures is typically determined by the condition of the structure, comparable sales in the area, or the tax assessed value.

Vacant Land:

Available vacant land is marketed for sale at a Fair Market Value as determined by the tax assessed value or an appraisal. The value of vacant land is typically determined by its best and highest use.

For both the acquisition of buildings and vacant land, a negotiated price below fair market value is available for eligible developers/organizations that are seeking to carry out an eligible activity under the Community Development Block Grant (CDBG) or HOME Investment Partnership Program (HOME) Programs.

A negotiated price (price below fair market value) will result in the property being sold subject to deed restrictions.

Is earnest money deposit required?

If your offer is accepted you must provide to the City of Albany, City Attorney’s Office earnest money deposit of \$100 for acquisition of vacant land and \$500 for acquisition of buildings or single-family homes in the form of a cashier’s check. You understand this will be held in a non-interest bearing account. It will be applied to the purchase price at closing or upon your failure to close will become liquidated damages to the City and the parties will have no further obligation to each other.

How do I see the inside of an available building or single-family home?

Contact the Department of Community and Economic Development with the address of the City-owned property you're interested in buying. Staff will provide you with the contact name and number for the DCED Representative assigned to the property. The DCED Representative will schedule an appointment for you to view the property. All applications for acquisition with rehabilitation are required to complete a walkthrough of the property **prior to** submitting an application.

How long will I have to complete a rehabilitation (building or single-family home)?

You have sixty (60) days to correct all exterior code violations.

You have one hundred eighty (180) days to complete the entire rehabilitation.

You have thirty (30) days after completion to submit pictures of the rehabilitation.

How long will I have to complete new construction or multi-family rehabilitation?

You have thirty (30) days after completion to submit pictures of the construction.
