The Albany City Commission and Leadership Team have spent the last year creating an aggressive operational strategic plan to advance the city over the next five years. Project initiation and completion dates will depend on financial feasibility, cost benefit analyses, and funding availability and will be based on Commission priorities. The City Commission and staff invite all citizens and stakeholders to be partners in Albany’s future by supporting the vision of a thriving community that supports economic development and facilitates the employment opportunities and quality of life amenities expected by our citizens and businesses.”

Mayor Dorothy Hubbard

Safe, Sustainable, and Business-Friendly

Safe neighborhoods, a sustainable community, and a business-friendly culture are the foundation blocks of great cities. The City of Albany will focus our efforts and resources on public safety and crime prevention, business development and civic engagement, and education toward creating a thriving and sustainable community.
AREAS OF FOCUS

GOAL 1  Support policies that encourage a safe community in which to live, work, and play that enhances the well-being of Albany’s citizens and assets.

Objectives
1. Examine the feasibility of the five focus areas in the Safe City Coalition (SCC) Strategic Plan to address safety and the community’s perception of crime. The five focus areas are increasing community access to social services, promoting law enforcement effectiveness, leveraging technology, prosecutorial and judiciary innovation, and increasing community involvement.
2. Periodically review compiled police calls for service and criminal statistics to ensure that there is a proper allocation of police resources in population centers and areas of concern.
3. Promote traffic safety awareness and reduce incidents in high-risk intersections.
4. Educate community groups on fire and property safety and crime awareness.
5. Evaluate the feasibility of implementing a public-private citywide surveillance network to be used as a crime deterrent.
6. Increase the number of active neighborhood watch groups and increase participation of residents of all ages.
7. Implement a program of community safety officers for special police assignments.
8. Identify and develop a plan to address blighted residential and commercial structures.
9. Conduct a needs assessment and develop a plan for the installation of sidewalks near schools.
10. Strengthen the City of Albany’s blight tax.
11. Rehabilitate housing units within Department of Community and Economic Development target areas of the city.
12. Collaborate with stakeholders to create a land bank.

GOAL 2  Create an environment that consistently encourages business development and educational opportunities.

Objectives
1. Increase telecom subscribers with high-speed Internet service.
2. Develop a program for businesses to partner with high schools and colleges to provide training for youth through summer job programs.
4. Implement an “Albany Works!” initiative with community partners.
**Economic Development and Jobs**

*Economic development is the lifeblood of robust and enduring communities.* Our efforts and resources will be devoted to retaining existing business and industry, creating new incentives for new development, and providing a professional and educated workforce to serve the changing needs of industry and commerce, all in an effort to create better jobs and better living conditions and to reduce poverty.

**AREAS OF FOCUS**

**GOAL 1**
*Expand Albany Utilities infrastructure.*

**Objectives**
1. Expand utilities in unserved and underserved areas.
2. Complete the installation of natural gas and telecom infrastructure along rails-to-trails property.

5. Improve transit amenities (shelters, benches, etc.).
6. Develop and implement a funding plan to meet Municipal Separate Storm Sewer System (MS4) mandates.
7. Develop a funding plan for Combined Sewer Outfall (CSO) in the Holloway Basin to minimize localized street flooding.

GOAL 2
Be recognized as the regional technology leader.

Objectives
1. Implement P25. The P25 Radio system is a joint effort between Albany, Dougherty County, Lee County, Grady County, and Thomasville/Thomas County built to expand our public safety communication while enhancing performance, efficiency, coverage, and quality.
2. Expand Wi-Fi capabilities to public transportation.
3. Expand high-speed fiber optics.
4. Evaluate plans to implement a public Wi-Fi initiative downtown.
5. Research the feasibility of installing E-Car ports/charging stations downtown.
6. Research the feasibility of a rideshare program.

Infrastructure and Asset Management

Albany’s utilities and city infrastructure are the backbone of our service delivery system. The city’s physical plant will be nourished, protected, and encouraged to grow to continue to meet the changing needs of a growing and thriving community. The city’s integrated transportation infrastructure of highways, roads, streets, bridges, and trails promotes mobility for a robust community.
Promoting Albany as a Great Place to Live, Work, and Play

Albany’s recreational, tourism, natural areas, and trails create an environment for healthy living and unlimited opportunities. The city will establish a variety of recreation and entertainment venues second to none in the region and beyond. Our citizens and visitors will enjoy a true sense of southern living, and we will promote Albany as a great place to live, work, and play.
